

3:30pm – 4:15pm

Connecting science with policy in Canada: How do I do it?

*Panel Organizer: Silke Nebel
Bird Studies Canada*

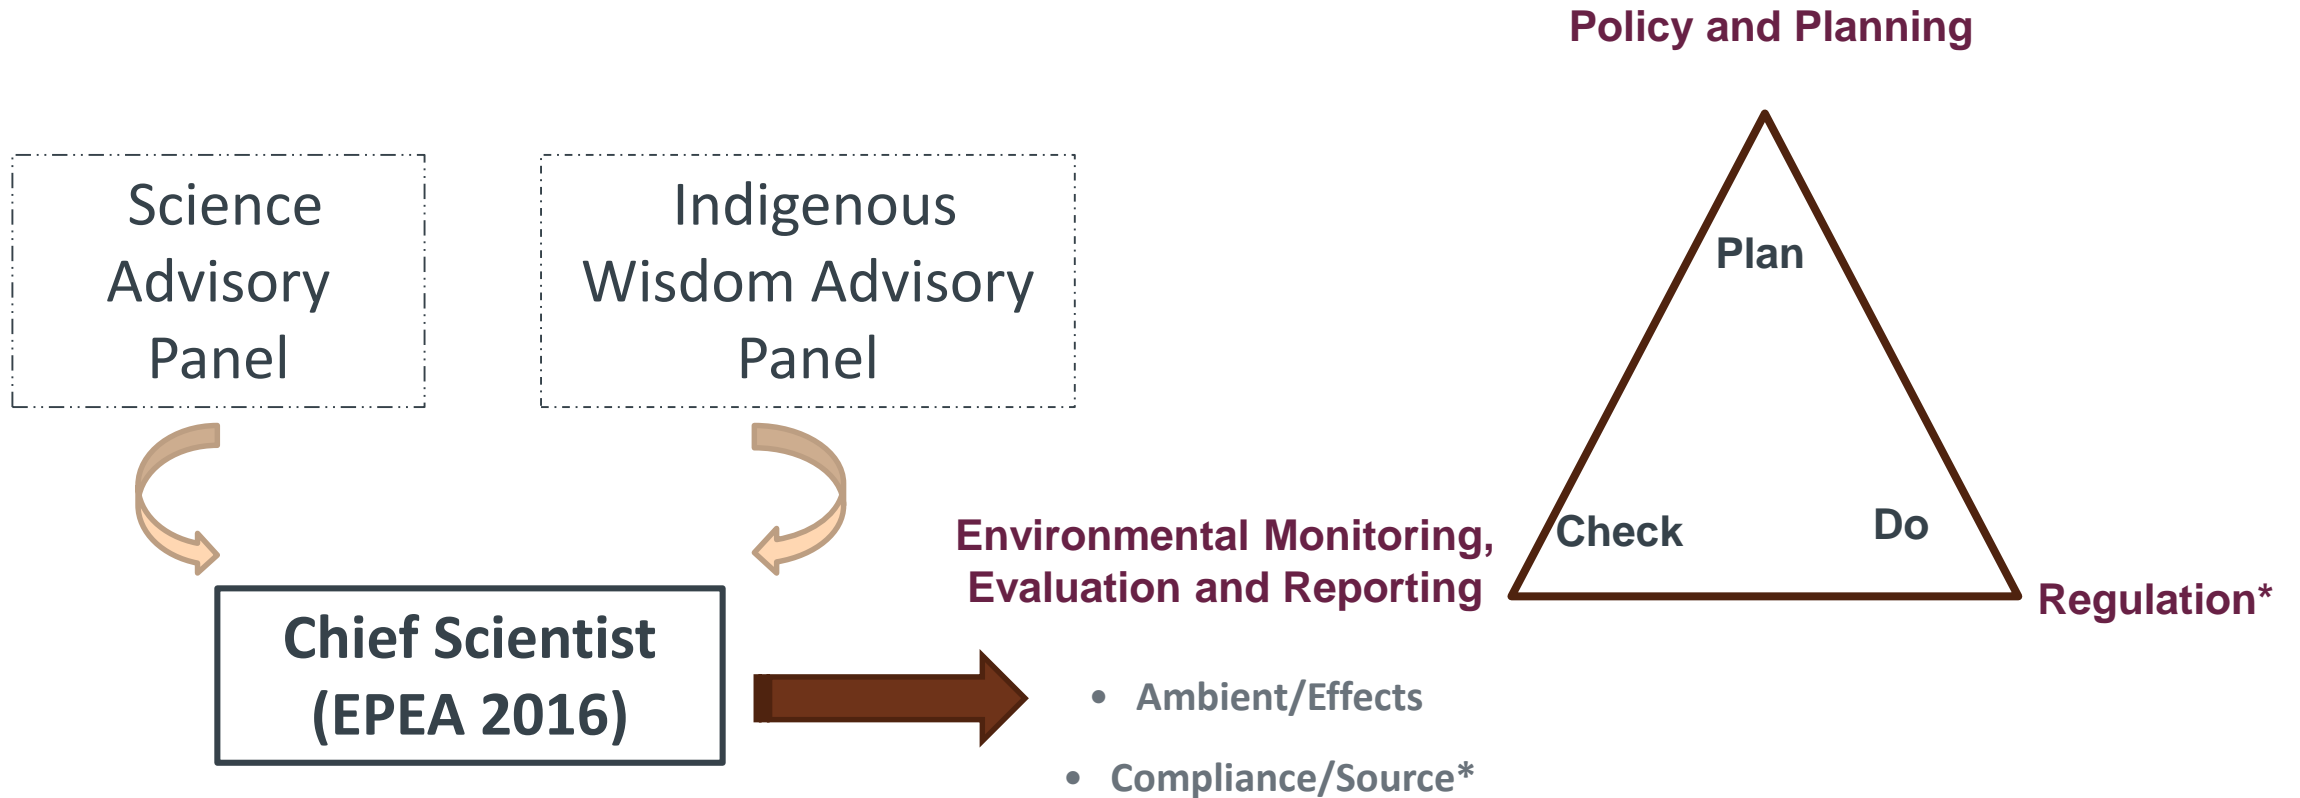

Connecting Science with Policy

What avenues do Alberta government policy makers take to obtain advice?

Dr. Fred Wrona, Alberta Environment & Parks Chief Scientist

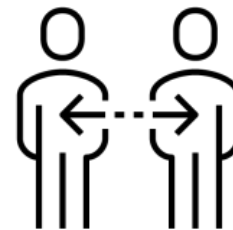

November 8, 2018

Alberta Context: Integrated Resource Management System

Avenues for science advice

Reflections on factors for success

Thank you
