

2027 Science Meets Parliament – Northwest Territories: Letter of Support

Dear CSPC,

I am pleased to nominate and support (Nominee name) as a strong candidate for the 2027 Science Meets Parliament – Northwest Territories Program.

I confirm that the nominee's research aligns with priorities identified in the [Northwest Territories Knowledge Agenda](#). I believe their participation in the program would provide a valuable opportunity to connect their research and expertise with policy and decision-making in the Northwest Territories.

If selected, (Organization) will provide the following support for the nominee:

- ☐ Cover the researcher's registration costs and accommodations.
- ☐ Cover the researcher's registration costs only.
- ☐ Support the nomination process only; the researcher will use grant funding to cover program costs.
- ☐ Support the nomination process only; the researcher will require external funding to cover program costs.

Sincerely,
